Mrs. Schluckebier

Accounting I

Teacher: Gindy Schluckebier

Email: cschluck@franklin.k12.mo.us

What is accounting all about?

- \$ Accounting is the language of business.
- \$ In order to be successful in any business accounting skills are a necessity.

Who Should Take Accounting?

- ~ Students interested in attending college and majoring in Accounting or Finance.
- ~ Students interested in attending college and majoring in any business field...since accounting is the language of business...accounting classes are required for any business major.
- ~ Students interest in starting their own businesses. All businesses must have some sort of accounting procedure.
- ~ Students interested in working for a business of any kind. Having accounting skill will make you more marketable to employers!!!
- ~ Students who like math classes.

What you need to bring to class
EVERYDAY!!!

- * Textbook
- * Working Papers
- * PENCIL
- * Eraser
- * Pen to grade daily homework
- * 3 ring binder with dividers
- * Calculator

Important Information to Remember

- All homework and tests are required to be completed in pencil.
- You will thank me for this ...because no one is perfect and mistakes are easier to correct if made in pencil.
